### **HALF-DAY RETREAT PLANNED AND RUN BY JMJ MISSIONS** *\*Most popular!*

JMJ Missions will plan and run an entire half day retreat for your Confirmation candidates, high school students, religious education program, or adult faith formation program. We can also run clergy formation retreats and family retreats. Details vary depending on the age and type of retreat.

**\*YOUTH RETREATS** typically run about 4 hours in length. Our retreats involve multiple icebreaker activities, music, at least 3 engaging talks by Anthony McCullough and Dan Palmieri using multimedia, games with prizes, Eucharistic Adoration with the option of guided meditation, and Mass when possible. Details may vary depending on the facilities available, whether Mass is incorporated, the unique needs of the parish and number of youth and adults attending. For Confirmation retreats, sponsors are encouraged to attend along with students and are free of charge!

### **RETREAT KEYNOTE SPEAKER**

This option works well for retreats that are already planned and are run by the parish or school. Anthony McCullough will give a standalone keynote talk. For youth retreats, Anthony will combine his conversion testimony and inspiring modern-day Saint stories with Catholic teaching. For Confirmation keynote talks, Anthony also adds in teaching about the gifts and fruits of the Holy Spirit received at Confirmation, and uses real-life examples to bring the message home. Depending on the topic (such as their conversion testimony) Dan Palmieri can join as well in a popular “tag-team style” format. For non-youth retreats, either Dan, Anthony, or both may deliver the keynote talk.

### **HIGH SCHOOL, PARISH OR OTHER EVENT KEYNOTE SPEAKER**

For other pre-planned events, whether for adults, high school youth, Catholic schools, or religious education students, JMJ Missions can give keynote talk(s). For more details and a list of potential topics, contact us at [PR@jmjmissions.com](mailto:PR@jmjmissions.com)

### **SMALLER EVENTS**

We can always present at smaller events like youth group meetings, small ministries, and individual religion classes. Please contact us directly at [PR@jmjmissions.com](mailto:PR@jmjmissions.com) to coordinate this with us.
